Be on the lookout!

Recently, a theft was reported in our neighborhood. This is a reminder to secure your valuables and lock your cars even if they will only be unattended for a minute. Please stay aware and keep an eye on activity in your neighborhood. If you are the victim of a theft or burglary, please notify a board member.

Thornburgh Development

The Town Hall meeting originally scheduled for June 1st has been cancelled. Owners are requested to submit questions about the Thornburgh development to any RECOA board member. The questions will be researched and answers posted on the RECOA website. As we hear from owners with new questions and find new information, we will update these FAQs, including links to reports and resource materials. A link to these FAQ's will be sent in a future Friday eBlast.

## Committee Messages

More committees are moving back to in-person meetings. Based on owner feedback, Eagle Crest Management is working on a way to have Zoom audio conference capability for owners to attend virtually if they prefer.

The Finance and Contracts Committee (FCC) is looking for two owner volunteers to serve on a sub-committee to create an Investment Policy document for RECOA. The goal is to complete this work and present to the Board for approval by October 2022. Owners who have an interest in volunteering can contact Don Rodich at [fcc@ridgeowners.org](mailto:fcc@ridgeowners.org) for more information. Thank you for considering this important request.
