

THE RIDGE

AT EAGLE CREST

Message from your Communications Committee

HELP WANTED – The Communication Committee is looking for volunteers with experience or interest in event planning. You do not need to join the committee to volunteer. This is a one-time task that you will lead through planning and execution of an event. Events include Speaker Forums, New Owner Orientation and Town Halls. Our committee has budget for these events – we just need leaders to get them going. The Communication Committee is available to you as a resource and support. We are looking for self-starters with good organizational skills. If you are interested or want more information, email CC@ridgeowners.com.

Bluestone Landscaping Requests

We ask all homeowners that live in **managed neighborhoods** to direct ALL questions, concerns or requests to ECM directly (ownerservices@eagle-crest.com).

Please do NOT direct these requests to a Bluestone landscaping employee as this causes delays and additional cost to incur.

Sports Center

As we dive headfirst into summertime, we know the community will be filled with owners, renters, and vacationers. We ask that owners please make sure your renters and guests are aware of the association rules and regulations as well as the rules for sports center use.

Flag Etiquette Reminder

Homeowners, please take a minute to review a few American Flag etiquette guidelines:

- **The flag should not be displayed on days when the weather is inclement, except when an all-weather flag is displayed**
- **The custom is to display the flag only from sunrise to sunset on flagstaffs in the open, but it may be displayed at night if illuminated**
- **When a flag is so tattered that it can no longer serve as a symbol of the United States, it should be destroyed in a dignified manner, preferably by burning – contact your local American Legion for dignified and fire-safe flag disposal**
