ECM Notifications

Bluestone landscaping – We ask homeowners that live in managed neighborhoods to direct ALL questions, concerns or requests to ECM directly (ownerservices@eagle-crest.com). Please do NOT direct these requests to a Bluestone landscaping employee as this causes delays and additional cost to incur.

Message from the RECOA Rules Review Committee

Vacation season is here, and this is a friendly reminder from the RECOA Board of Directors that owners are responsible for their guests, renters, and contractors. All owner's guests, renters, and contractors must comply with RECOA rules. If they do not, owners may receive a notice of violation or fine.

We've prepared a summary of information you may find helpful to share with your visitors. It addresses fundamental things like parking, vehicle restrictions, noise, garbage, and fire danger. You can find the summary on the RECOA website at:

https://www.ridgeowners.org/editor_upload/File/Committee%20-%20RRC/RECOA%20RULES%20INFO%20FOR%20RENTERS.pdf

If you rent your property, we recommend you provide this summary to your property manager and confirm their understanding. You may also wish to place a copy of this summary in your home along with other information you provide about the community.

Owners may find more information about RECOA requirements by reviewing CC&Rs, Policies, and ARC requirements. These can be found under “Governing Documents” on the RECOA web site at:

<https://www.ridgeowners.org/info.php?pnum=26>

Additional information specific to neighborhoods may be found under “Neighborhood” Declarations at:

<https://www.ridgeowners.org/info.php?pnum=4>

Message from the RECOA Communications Committee

FLAG ETIQUETTE REMINDER – Homeowners, please take a minute to review a few American flag etiquette guidelines:

- The flag should not be displayed on days when the weather is inclement, except when an all-weather flag is displayed
- The custom is to display the flag only from sunrise to sunset on flagstaffs in the open, but it may be displayed at night if illuminated
- When a flag is so tattered that it can no longer serve as a symbol of the United States, it should be destroyed in a dignified manner, preferably by burning – contact your local American Legion for dignified and fire-safe flag disposal
- For additional guidelines and more information on the American Flag Code checkout [United States Flag Code | The American Legion](#)
