

Dear Forest Greens and Creekside Homeowners,

This message is to serve as a required 10-day notice. You will be receiving voting instructions to amend your governing documents to allow homeowners to purchase property and liability insurance for their individual units on an ongoing basis.

Our board is highly recommending a **YES** vote as we are unable to obtain association wide insurance that contains adequate coverage at anywhere near a reasonable price.

You will receive voting information in the next few days. RECOA is also in the process of drafting additional information that will be posted to the RECOA website homepage.
