

RECOA Friday Update: August 27th

Due to computer issues, we were unable to send the update Friday, I apologize for any inconvenience.

RESORT SPORTS CENTER CLOSURE:

Due to a confirmed COVID case within the staff, The Resort Sports Center at 1580 Swallow Lane will be closed until August 31st. The closure does not affect Wheel Fun Bike Rentals or the outdoor sports courts.

Sports Center staff are quarantine and/or being tested at this time. For the safety of staff, owners and visitors, Eagle Crest management will reassess the situation following the closure on whether we will have adequate staff to reopen the facilities on August 31st.

The Ridge and Lakeside facilities are open for owners and guest to use.

We thank everyone for their continued support, patience and understanding.

New on the RECOA Website:

The Social Committee has made the very tough decision to cancel the Rock "N" Roll Street Dance, due to low signups and the realities of the latest COVID-19 situation.

Upcoming Committee Meetings:

Your Maintenance and Oversight Committee will be meeting Monday, August 30th at 9am. The meeting will be held in the meeting room at 7555 Falcon Crest Drive. Owners are welcome to attend, please note, due to the Governors Orders **masks will be required**.

BOD Meeting is Scheduled for Thursday September 16th. Please continue to check the RECOA Website for meeting details.

*Please check the REOCA website calendar for any updates on committee meetings, as restrictions may change daily with Covid Guidelines.

Neighborhood News:

Eagle Creek: Earlier this week there was an electric car fire in the parking space of one of the Chalets. Thanks for the successful efforts of Redmond Fire they were able to put the fire out before it spread to any structures.

Forest Greens: The roof project is in its final stages of contracting. Forest Greens Owners can expect to receive an invite to Zoom meeting to go over all the details and start date of this project.

Bark:

The bark installation in Creekside has been completed, the mulch vendor is still working on installing the mulch in Highland Parks Desert Sky and the Coopers Hawk Mail station, this work is expected to be complete by the first week in September.

From the RECOA President:

Hope you are all enjoying your Summer! A few weeks ago, we sent all owners an email with a link to take an online survey regarding the Sports Centers. With over 500 responses, the turnout has been good. We want to have input from all owners. If you haven't had a chance to complete the survey, please do so by September 1. If you've misplaced the link, you can reach out to [ownerservices@eagle-](mailto:ownerservices@eagle-crest.com)

crest.com for a new link. The survey results are being combined with other data to assist in our renewal of the contract. Watch for other communication and a public forum later in September.

As always feel free to reach out to me with any questions or concerns: MontyRECOA@gmail.com
